Councillors are expected to follow these regulations and not to entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.

Wilful breach of these regulations by an employee may result in disciplinary proceedings.

In these Financial Regulations:

2. Risk management and internal control

The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.

The Clerk shall prepare, for approval by the council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

When considering any new activity, the Clerk shall prepare a draft risk assessment including risk management proposals for consideration by the council.

At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.

The accounting control systems determined by the Clerk & RFO must include measures to:

- **ensure that risk is appropriately managed;**
- **ensure the prompt, accurate recording of financial transactions;**
- **prevent and detect inaccuracy or fraud; and**
- **allow the reconstitution of any lost records;**
- **identify the duties of officers dealing with transactions and**
- **ensure division of responsibilities.**

At each meeting of the Parish Council and at each financial year end, the Chair or in their absence the Vice Chair shall be appointed to verify bank reconciliations against the cashbook reconciliations and bank statements produced by the Clerk. The reconciliations will be signed and recorded in the minutes of the meeting. If a meeting is not convened in a particular month, that month's reconciliation will be verified, recorded and signed at the next PC meeting.

Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

3. Accounts and audit

All accounting procedures and financial records of the council shall be determined by the Clerk in accordance with the Accounts and Audit Regulations.

The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonable accuracy at any time. In particular, they must contain:

- **day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;**
- **a record of the assets and liabilities of the council;**

The accounting records shall be designed to facilitate the efficient preparation of the accounting statements in the Annual Governance and Accountability Return (AGAR).

The Clerk shall complete and certify the annual Accounting Statements of the council contained in the AGAR in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the Clerk shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.

Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit and shall, as directed by the council, supply the Clerk, internal auditor, or external auditor with such information and explanation as the council considers necessary.

The internal auditor shall be appointed by the council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.

The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council;
- reports to council in writing, or in person, on a regular basis with a minimum of one written report during each financial year;
- can demonstrate competence, objectivity and independence, free from any actual or perceived conflicts of interest, including those arising from family relationships; and

- initiate or approve accounting transactions;
- provide financial, legal or other advice including in relation to any future transactions; or
- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as described in The Practitioners Guide.

The Clerk shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.

The Clerk shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

4. Budget and precept

Before setting a precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.

Salaries and wages are kept in line with NALC pay scales with an increment of 1 SCP per year. This together with an estimate for the annual pay award including employer contributions will be included in the budgets presented to councillors.

No later than December each year, the Clerk shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year

Unspent budgets will not usually be carried over to the following year but placed into general reserves. Any future project must claim from this reserve to proceed. For exceptionally large projects, the council might choose to create a separate discretionary fund to earmark reserves year-on-year.

Each committee (if any) shall review its draft budget and submit any proposed amendments to the council not later than the end of November each year.

The draft budget including any recommendations for the use or accumulation of reserves, shall be considered by the Council.

Having considered the proposed budget, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.

The Clerk shall **issue the precept to the billing authority no later than the end of February** (MBC usually want the figure before the end of January) and supply each member with a copy of the agreed annual budget.

The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

5. Procurement

Members and officers are responsible for obtaining value for money at all times. Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

The Clerk should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

Every contract shall comply with the council's Standing Orders and these Financial Regulations, and no exceptions shall be made, except in an emergency.

For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.

Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:

For contracts estimated to exceed £60,000 including VAT, the Clerk shall seek formal tenders from at least three suitable suppliers agreed by the council. Tenders shall be invited in accordance with Appendix 1.

For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation regarding the publication of invitations and notices.

For contracts greater than £3,000 but less than £30,000 excluding VAT the Clerk shall seek at least [3] fixed-price quotes;

where the value is between £1000 and £3,000 excluding VAT, the Clerk shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

For smaller purchases, the clerk shall seek to achieve value for money.

Contracts must not be split to avoid compliance with these rules.

The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery or equipment;
- iii. works, goods or services that constitute an extension of an existing contract;
- iv. goods or services that are only available from one supplier or are sold at a fixed price.
- v. Where a matter is of some urgency, and time is of the essence

When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.

The council shall not be obliged to accept the lowest or any tender, quote or estimate.

Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Clerk under delegated authority, for any items below £500 excluding VAT.
- the Clerk, in consultation with the Chair of the Council {or Chair of the appropriate committee}, for any items below £1,000 excluding VAT.

- the parish council for all items of expenditure within their delegated budgets for items under £5,000 excluding VAT.
- the council for all items over £1,000.

Such authorisation must be supported by 'p0a minute (in the case of council or committee decisions) or other auditable evidence trail.

No individual member, or informal group of members may issue an official order unless instructed to do so in advance by a resolution of the council or make any contract on behalf of the council.

No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council or a duly delegated committee acting within its Terms of Reference except in an emergency.

In cases of serious risk to the delivery of council services or to public safety on council premises, the Clerk may authorise expenditure of up to £1,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

No expenditure shall be authorised, the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

An official order or letter shall be issued for all work, goods and services above £500 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

Any ordering system can be misused and access to them shall be controlled by the Clerk.

The council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution.
